

Q4IT accredited training organization delivering ITIL® courses – public / on premise including PEOPLECERT certifications. In 2012 we established tradition of respected international conference IT Service Delivery Forum International – www.itsdfi.com – which creates unique platform for experience sharing of best practices usage in real world across different segments. Conference is organized every May in Brno and is supported by many internationally recognized experts, organizations and Brno city authorities. As a first company in Czech republic we deliver consultancy related to *Skills Framework for Information age* – SFIA. Important part of our consulting services is quality assessment and benchmarking of IT by using IT QUALITY INDEX® framework - www.itqualityindex.com.
